

Check List for our Customers

Due to increased documentation requirements, the European tax law requests the following documents and data for exports to EU member states with immediate effect:

- Full company address, phone and fax number, e-mail address, indication of industry/industrial sector and, if available, internet address and business card.
- VAT Reg. No.
- Copy of the Company House registration, proof of trade license or official company proof (e.g. from chamber of commerce), showing also the name of company director, or the name of managing director.
- Passport copy from either the proprietor, company director or managing director.
- The collecting driver is required to provide an original authorization, signed by the above person and preferably showing the company seal/stamp.

If you are unable to provide us with documentation showing your company credentials, we will charge a security deposit amounting to 19% of the purchase price.

The deposit will be refunded immediately after receipt of the above documentation.
